# IWIB Micro-Teach Session

## Executive Committee

June 2024

Presenter:

*Marlon McClinton*

# IWIB Executive Committee

## **Leadership: Chairperson**

- Marlon McClinton
- President & CEO
- Utilivate Technologies, LLC

# *Executive Role – By-Laws*

There shall be an Executive Committee consisting of no more than nine members, including:

- (i) A Board Co-Chair
- (ii) A Majority of Business Members
- (iii) A representative of the Education System

**The Executive Committee shall have the authority of the Board when it is not feasible for the entire Board to be convened.**

# ***Duties of the Executive Committee***

Duties of the Committee shall include, but not be limited to...

- Conduct recruitment of businesses
- Provide Recommendations for amendments to the bylaws
- Provide Recommendations to the Governor and legislator for amendments to the IWIB State Board Act

# *Duties of the Executive Committee*

- Discuss and make recommendations to the Board on innovative approaches to the training and education of its workforce customers and employers and the use of Registered Apprenticeships
- Review and participate in discussions on new policies related to the workforce in the State of Illinois

# *Duties of the Executive Committee*

- Invite Board members, including Committee Chairs, into discussions to provide expert knowledge
- Request Committee Chairs report on the committee's activities and results before presentations to the Board.

# *Duties of the Executive Committee*

- Encourage full member participation in meetings in an active manner and be responsible for ensuring a convening of the workforce development system's stakeholders, brokering relationships with a diverse range of employers, and leveraging support for workforce development activities.

# *Responsibilities*

- review and be included in discussions on new policy related to workforce in the State of Illinois,
- Craft, guide, and approve the IWIB Quarterly meeting agendas
- establish committees that are deemed necessary to assist the IWIB in performing their duties (i.e. standing committees, task forces, and work groups),

# *Responsibilities*

- discuss and make recommendations to the board on innovative approaches to the training and education of its workforce customers and employers, including the use of Registered Apprenticeships,
- recommend chairs for standing committees and task forces to the board and provide official invitations,
- recommend amendments to the bylaws,

*Thank you for your time.*
