# IDES Websites

<https://ides.illinois.gov/resources/labor-market-information.html>

## Labor Market Information

The screenshot shows the IDES website's Labor Market Information page. The header includes the IDES logo, navigation links for Unemployment Insurance, Jobs & Workforce, Employer Resources, Resource Center, FAQs, and About, and a search bar. The main content area is titled "Labor Market Information" and includes a description of the data collected and disseminated. A sidebar on the left lists various resources under the heading "Resource Center".

**Resource Center**

- Labor Market Information
- Forms & Publications
- Other Assistance and Resources
- Legal Services Program
- IDES Shared Data Agreements
- Labor Laws

**Labor Market Information**

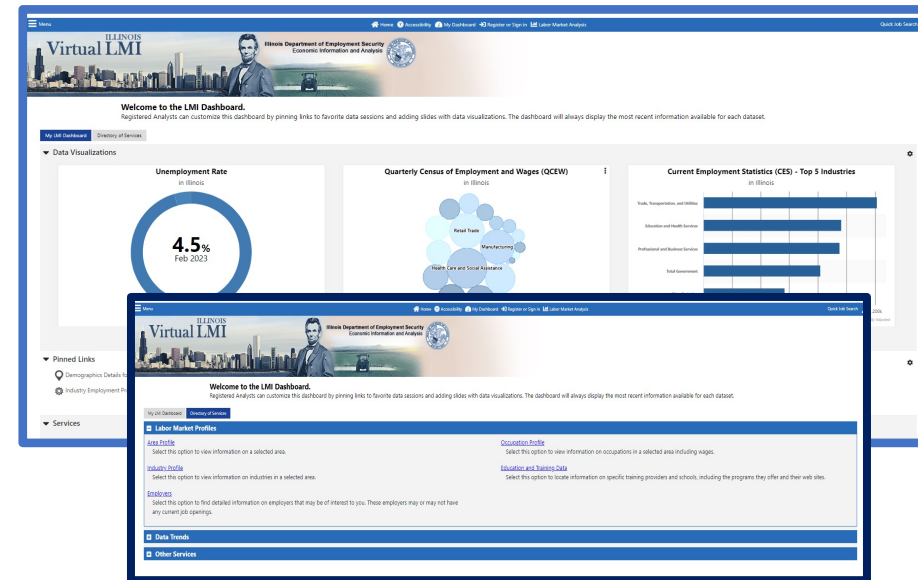

Labor Market Information includes employment statistics, unemployment statistics, job forecasts, wages and demographic characteristics. IDES collects, analyzes and disseminates these data in cooperation with the U.S. Department of Labor's Bureau of Labor Statistics (BLS) and Employment and Training Administration (ETA), and with the U.S. Census Bureau.

Click on the links below for more Labor Market Information:

- [Business Employment Dynamics](#)  
Set of statistics generated from the Quarterly Census of Employment and Wages that help to provide a picture of the dynamic state of the labor market.
- [Career Information System \(CIS\)](#)  
A self-directed, no cost, internet-based system that combines a wealth of career,

## Illinois Virtual Labor Market Information

The screenshot shows the Illinois Virtual Labor Market Information (V-LMI) dashboard. The header includes the Virtual LMI logo, navigation links for Home, Accessibility, My Dashboard, Report or Sign In, and Labor Market Analysts, and a search bar. The main content area is titled "Welcome to the LMI Dashboard" and includes a description of the dashboard's functionality. The dashboard displays several data visualizations, including a circular gauge for the Unemployment Rate (4.5% Feb 2023), a bubble chart for the Quarterly Census of Employment and Wages (QCEW), and a horizontal bar chart for Current Employment Statistics (CES) - Top 5 Industries. A sidebar on the left lists various services under the heading "My LMI Dashboard".

## Labor Market Information

The screenshot shows the IDES website's Labor Market Information page. The header includes the IDES logo, a search bar, and navigation links for 'Sign Into My Account' and 'Select Language'. The main navigation menu lists 'Unemployment Insurance', 'Jobs & Workforce', 'Employer Resources', 'Resource Center', 'FAQs', and 'About'. The breadcrumb trail indicates the current location: 'IDES > Resource Center > Labor Market Information'. The left sidebar contains a 'Resource Center' menu with items like 'Labor Market Information', 'Forms & Publications', 'Other Assistance and Resources', 'Legal Services Program', 'IDES Shared Data Agreements', and 'Labor Laws'. The main content area features the title 'Labor Market Information' with a sub-header, a paragraph describing the data collection process, and a call to action: 'Click on the links below for more Labor Market Information:'. Below this are two bullet points: 'Business Employment Dynamics' and 'Career Information System (CIS)', each with a brief description.

## Labor Market Information

Labor Market Information includes employment statistics, unemployment statistics, job forecasts, wages and demographic characteristics. IDES collects, analyzes and disseminates these data in cooperation with the U.S. Department of Labor's Bureau of Labor Statistics (BLS) and Employment and Training Administration (ETA), and with the U.S. Census Bureau.

Click on the links below for more Labor Market Information:

- [Business Employment Dynamics](#)  
Set of statistics generated from the Quarterly Census of Employment and Wages that help to provide a picture of the dynamic state of the labor market.
- [Career Information System \(CIS\)](#)  
A self-directed, no cost, internet-based system that combines a wealth of career,

- [Current Employment Statistics \(CES\)](#)  
Produces payroll job estimates of Illinois and metro area non-farm industries.
- [Employment Projections](#)  
Provides short-term and long-term employment projections for both industries and occupations.
- [Help Wanted Online \(HWOL\) Reports](#)  
Compiles job ads from online job boards, newspapers and aggregator sites and tallies the hottest job opportunities by region each month.
- [Learn More Earn More](#)  
Highlights occupations expected to provide the most job openings organized by education and training requirements.
- [Licensed, Certified & Registered Occupations in Illinois](#)  
Provides information about occupations that are regulated in some way by many state boards, commissions, and agencies.
- [Local Area Unemployment Statistics \(LAUS\)](#)  
Develops monthly and annual estimates of the labor force, employed, unemployed and the unemployment rate for the state.
- [Local Employment Dynamics \(LED\)](#)  
Information about local workforce and labor market conditions
- [Monthly Employment and Unemployment Press Releases](#)  
The Illinois Employment Situation: Statewide and metro area employment and unemployment press releases.
- [Quarterly Census of Employment & Wages \(QCEW\)](#) -  
Produces comprehensive quarterly counts of employment and wages for workers covered under Unemployment Insurance programs.
- [UI Program Data](#)  
Provides data collected on individuals currently applying for and those receiving Unemployment Insurance.
- [Wage Information - Occupational Employment and Wage Statistics \(OEWS\)](#) - Information on entry level, median, and experienced hourly (and annual)
- [Workforce Availability](#)  
Necessary data to complete Affirmative Action compliance, or EEO reports.

## Illinois Career Information System

A self-directed, no cost, internet-based system that combines a wealth of career, education/training, and labor market information into one comprehensive, easy-to-use resource tool. The CIS portal encourages self-reflection, exploration, research, goal setting, and decision making for lifelong learning.

### CIS Job Seeker

Recommended for career explorers and career changers, *CIS Job Seeker* is for the person who wants to explore current job market trends, change careers, seek new opportunities, and more. This version features extensive job search resources, certification, training and retraining options, job and labor market trends, and offers career-planning guidance.

### CIS College

Recommended for potential, current, and former college students and adults. *CIS College* encourages college and university students to set career and educational goals, connect majors to the world of work, locate scholarships, prepare to transfer to another institution, and find graduate schools.

### CIS High School

*CIS High School* provides comprehensive career information for students developing and updating their future educational and career plans. This site supports high school students in their lifelong career-planning and promotes self-awareness, self-reliance, and self-worth. Tools in this site include self-assessments, exploration, research, goal setting, and decision making.
